

Rivermead Primary

PTA

Welcome to the Rivermead Primary School PTA page.

As a PTA member, we are parents &/or teachers volunteering our time, aiming to work with the Mr Prebble & Mrs Sloan to raise money to enhance the education & experience of all the children while at Rivermead Primary School. We work hard to run regular fundraising events throughout the year. These events not only provide lots of fun for Rivermead pupils & parents but also for the wider community.

As this has been a bit of an uncertain year due to Covid-19, we have been unable to advertise events as it is unlikely we will host any of our normal larger events this year. But keep checking our 'Diary of Events', just in case.

Projects Funded by the PTA 2019-20

As the school year was cut short last year a large chunk of our fund raising had to be cancelled. However, we were still able to support the school before, during & after lockdown.

We paid £26,000 on a UV protected shelter which they took full advantage of during lock down for the key worker children to have classes outside during the warmer weather.

We bought over £5,000 worth of brand new books plus several smaller purchases to help the day to day enhancement of the school.

As a farewell to the year 6 leavers who left us in July 2020, again, due to covid they were unfortunately unable to have their leavers party which the PTA fund so they were give a 'Rivermead Primary School Leavers 2020' lego key ring & a frames inspirational poem to hopefully inspire them to continue to be amazing in the next part of their educational journey.

So, all together, we spent over £31,000 on projects for the school.

Fund us at:

The PTA shed in the yellow team playground.
