Thursday 25 November
Thursday 9 December

Times:

Two tours per day: 10.30am to 11.30am and 1.30pm to 2.30pm

The Tour

The tour will be no longer than an hour, and will consist of:

- A short presentation about the school by the: Headteacher (Mr Brian Prebble), Deputy Head (Mrs Gemma Sloan) & two Year 6 pupils
- A tour of the EYFS area led by our EYFS leader (Mrs Sally Keenlyside), showing our EYFS learning areas & explaining how the children learn in EYFS
- A short tour of the rest of the school

On-line information

On the school's website, we have an area specifically for prospective and new parents which can be found following the link: [Rivermead Primary School | Home](#)

In this area you will find presentations on:

- School vision
- Learning, teaching, & nurture support
- Information about our EYFS
- A virtual tour of the whole school
- School organisation & structure
- School staff
- Frequently Asked Questions

Health & Safety

Due to COVID-19 still creating many challenges for schools, we have a safety plan for the school. We are excited about having prospective new parents in our school to show what we offer and have an opportunity to showcase our children and their learning. Within our safety plan we have limited the number of external visitors into the school building. However, we know the importance for prospective parents to visit a school before applying. To ensure everyone is safe, we have the following restrictions for the tours:

- Only 12 people allowed for each session
- A maximum of 2 people per child
- Face coverings must be worn throughout the tour and your time in the school building
- Hand sanitiser will be provided and we would request you apply it on arrival
- We will not be able to stop in any classrooms for a long length of time

We hope that you will understand and appreciate the need for these measures, to keep the children, staff and you safe during your time in the school.
