

Rivermead Primary School

COVID-19 Questionnaire

The safety of our pupils, staff, families and visitors is our priority. As Coronavirus is still prevalent, we are monitoring our visitors closely based on advice from the Government and the World Health Organisation. Only essential visitors are permitted to enter the school at this time.

To try and prevent the spread of COVID-19 and reduce the risk of potential risk of exposure to our school community, please complete this questionnaire.

During the visit, you may have limited access to some of areas of the school and will be expected to wash your hands on arrival or use hand sanitizer. You are advised to remain 2m away from staff and children at all times. You will be required to wear a face covering.

If you are displaying any COVID symptoms, we will kindly ask you to leave the school site and rebook your visit at a later time if necessary.

Please complete this as close to your visit as possible, alternatively it can be completed when you arrive.

Thank you for helping us to keep our school safe.
